

QUALITY ASSURANCE/QUALITY CONTROL JOB FAMILY CAREER PATH

Quality Control Technician

This is an entry-level quality assurance position that is accountable for quality assurance and testing of the least complex systems. This position utilizes pre-existing testing, coordinates the timing of releases, and executes release management processes. This position conducts pre- and post-implementation testing, executes test plans, and conducts defect tracking. Employees gain an understanding of user requirements and review requirement specifications. This position coordinates user acceptance in accordance with the specifications established and conducts regression testing. Quality Control Technicians work under general supervision and are likely to escalate more complex issues that are discovered through the testing process to a higher-level resource.

Knowledge, Skills, and Abilities

Working knowledge of and the ability to demonstrate successful use of computer equipment and associated software/databases in the performance of duties.

Knowledge of and the ability to demonstrate understanding of all assigned areas of quality assurance and control, as well as the laws, principles, and practices as they are related to implementation within the agency.

Knowledge of and the ability to demonstrate understanding of the agency's policies, procedures, rules, and regulations in the performance of duties.

Possess and demonstrate successful communication skills in English via all modes of communication.

Possess and demonstrate successful management and prioritization of work within predetermined deadlines and stressful/adverse situations.

Possess and demonstrate the ability to successfully work as a team member and positively interact with a variety of people, as well as work hours as assigned.

Ability to demonstrate successful performance in the research, gathering, correlating, and analyzing of facts to develop reports, charts, recommendations, and/or solutions in the performance of duties.

QUALITY ASSURANCE/QUALITY CONTROL JOB FAMILY CAREER PATH
